

CLARIFICATION # 2 RE TENDER FOR OPHTHALMIC LENS SURFACING LABORATORY EQUIPMENT

(Antigua, West Indies)

Publication Ref: CAR100702 – DCI-NSA PVD / 2009 / 222-937

17 February 2022

Question

Will there be the possibility that derogation will be granted to allow goods from non EU/DCI origin goods to be offered?

Answer

Derogation must be requested and awarded before the tender procedure is launched and must be mentioned in the procurement notice for the benefit of tenderers. In this case we did not apply for derogation prior to launching the tender.
